

**SAURABH
ENTERPRISE**

Complete Solution for WOVEN SACK INDUSTRY

Manufacturer, Supplier & Exporter of Replacement
Spare Parts for All Types of Circular Looms
& Cheese Winders

The background of the entire page is a grayscale photograph of a circular weaving machine. The machine has a large, white, cylindrical frame with multiple horizontal layers of spindles and bobbins. A large, stylized blue logo, resembling a combination of the letters 'G' and 'E', is superimposed on the left side of the image. The text is positioned in the upper right quadrant of the image.

Complete Solution for WOVEN SACK INDUSTRY

We introduce
ourselves as a leading
Manufacturer,
Supplier & Exporter
of replacement spares
for circular weaving
machinery.

**SAURABH
ENTERPRISE**

About Us

| Complete Solution for WOVEN SACK INDUSTRY

We introduce ourselves as a leading **Manufacturer, Supplier & Exporter** of replacement spares for circular weaving machinery.

We deal with Flexographic Printing Machines, Hydraulic Bale Press, Woven Bags, Woven Fabrics, Cheese Pipes (M.S., ALU.), Old circular looms and Tape Line plants, Sewing machines, etc...(*All machinery related to the Woven Sacks industry*). Our customer base extends all over India and overseas in the Middle East, U.A.E., Africa & some European countries.

With a humble beginning 38 Years ago as a small trader, today we are not only a trader but also a manufacturer with a wide range of replacement spare parts and various types of machinery for woven sacks. We are also a leading pioneer in our industry and have a large customer base. Our motto is to keep our customers happy and satisfied with our best-quality products.

We also develop special-purpose machines and special spares according to customer requests, drawings, and samples. Our quality is well up to International standards, and our prices are comparatively similar to match industry standards.

Thanking you and assuring you of our best & prompt services at all times.

**SAURABH
ENTERPRISE**

Our Vision

To be a globally recognized leader in the manufacturing and supply of replacement spares for circular weaving machinery, delivering exceptional quality and customer satisfaction.

To revolutionize the woven sacks industry by providing innovative solutions, exceptional quality products, and unparalleled customer service.

Our Mission

To design, manufacture and deliver high-quality replacement spares and machinery solutions that meet the evolving needs of our customers while maintaining a commitment to excellence, innovation and customer satisfaction.

To provide our customers with the best possible products and services, building long-term relationships and contributing to the growth and success of the woven sacks industry.

Core Values

Customer Focus: Delivering exceptional quality and service.

Innovation: Embracing new ideas and solutions.

Quality Excellence: Ensuring high standards in everything we do.

Integrity: Acting with transparency, honesty, and ethics.

Teamwork: Collaborating to achieve common goals.

Accountability: Taking ownership of our actions and outcomes.
